ORDER

WHEREAS, on March 11, 2020, because of the spread of the novel Coronavirus Disease 2019 ("COVID-19"), Michelle Lujan Grisham, the Governor of the State of New Mexico, declared that a Public Health Emergency exists in New Mexico under the Public Health Emergency Response Act, and invoked her authority under the All Hazards Emergency Management Act;

WHEREAS, Governor Michelle Lujan Grisham has renewed the declaration of a Public Health Emergency through January 8, 2021;

WHEREAS, COVID-19 is a deadly virus and has taken the lives of nearly 330,000 Americans and over 2,200 New Mexicans;

WHEREAS, confirmed cases in the United States have risen to more than 18 million and confirmed COVID-19 infections in New Mexico have risen to over 130,000, with significant recent spikes in cases in New Mexico overwhelming our hospitals;

WHEREAS, the State of New Mexico is in the midst of an urgent medical crisis caused by the COVID pandemic which has strained the ability of both institutional and individual providers to deliver the quality of care New Mexicans ordinarily expect;

WHEREAS, there is anticipated to be a shortage in the number of physicians, nurses, and other healthcare workers available given the continually increasing number of COVID-19 infections in the State;

WHEREAS, clinical resources and supplies are currently taxed and are anticipated to be even more greatly taxed as COVID-19 infections increase, resulting in the postponement and discontinuation of various essential medical services;

WHEREAS, a host of modifications of normal medical practice will be necessitated to address the ongoing surge in COVID-19 infections in the New Mexico and the attendant detrimental consequences to medical practice and medical service availability within the State;

WHEREAS, on December 4, 2020, Governor Michelle Lujan Grisham issued Executive Order 2020-083 ("EO 2020-083"), stating that "'Crisis Care' standards may need to be implemented over the next several weeks and our State should prepare for that possibility";

WHEREAS, EO 2020-083 orders and directs the New Mexico Department of Health to undertake all steps necessary to credential and approve certain physicians and other licensed healthcare providers as "COVID-19 Credentialed Physicians" and certain advance practice clinicians as "COVID-19 Credentialed Advanced Practice Clinicians" so that such individuals shall be considered public employees for purposes of the Tort Claims Act under the All Hazards Emergency Response Act;

WHEREAS, on December 2, 2020, the New Mexico Medical Advisory Team notified the Acting Secretary of Health that "Crisis Care Standards" have been activated within the state and that it is appropriate to apply Crisis Care Standards in hospital settings;

WHEREAS, during a declared Public Health Emergency, the New Mexico Department of Health possesses legal authority pursuant to the Public Health Emergency Response Act to "utilize, secure or evacuate health care facilities for public use." NMSA 1978, § 12-10A-6(A)(l). The Department of Health also possesses the legal authority under the Public Health Act to "respond to public health emergencies," "ensure the quality and accessibility of health care services and the provision of health care when health care is otherwise unavailable," "control and abate the causes of disease, especially epidemics," and "maintain and enforce rules for the control of conditions of public health importance." NMSA 1978, § 24-1-3; and

WHEREAS, the Department of Health finds that it is necessary and appropriate under the current circumstances for certain physicians and other medical clinicians who evidence the meeting of certain qualifications to become approved to perform certain medical duties by the Acting Cabinet Secretary and to become credentialed for the purpose of being deemed public employees for purposes of the New Mexico Tort Claims Act.

NOW, THEREFORE, I, Tracie C. Collins, M.D., Secretary-Designate of the New Mexico Department of Health, in accordance with the authority vested in me by the Constitution and the Laws of the State of New Mexico, and as directed by the Governor pursuant to Executive Order 2020-083 under the full scope of her emergency powers under the All Hazard Emergency Management Act and the Emergency Licensing Act, do hereby **DECLARE THAT IT IS NECESSARY FOR THE STATE TO INVOKE CRISIS-LEVEL STANDARDS OF CARE** and that it is necessary and appropriate under the current circumstances for certain physicians and other medical clinicians who evidence the meeting of certain qualifications to become approved to perform certain medical duties by the Secretary-Designate and to become credentialed for the purpose of being deemed public employees for purposes of the New Mexico Tort Claims Act.
