DATE: **October 1, 2020**

TO: **All Gaming Licensees and Other Interested Persons**

FROM: **Nevada Gaming Control Board**

SUBJECT: **Health and Safety Policies for the Resumption of Gaming Operations: Nonrestricted Licensees**

This Industry Notice amends the "Health and Safety Policies for the Resumption of Gaming Operations: Nonrestricted Licensees" and supersedes Industry Notices #2020-25, #2020-30, #2020-43, and #2020-47 for purposes of the Policy for nonrestricted licensees.

To meet its obligation under section 35 of Governor Sisolak's Declaration of Emergency Directive 021, the Board reissues the following:

Health and Safety Policies for the Resumption of Gaming Operations: Nonrestricted Licensees

Substantive updates to the aforementioned Policy address the applicable provisions of Governor Sisolak's Declaration of Emergency Directive 033, which relate to the requirements imposed upon licensees who intend to hold large gatherings and events.

In conjunction with state and local health officials, the Board will continue to ensure that best practices are used in the mitigation of COVID-19, and its effect on the resumption of gaming and other licensee operations, and will issue further notices as appropriate.
