EXECUTIVE ORDER

Extending Executive Order D 2020 293 Authorizing the Colorado Department of Public Health and Environment to Reallocate Existing Funds from Contracts with Local Public Health Agencies Due to the Presence of COVID-19

Pursuant to the authority vested in the Governor of the State of Colorado and, in particular, pursuant to Article IV, Section 2 of the Colorado Constitution and the relevant portions of the Colorado Disaster Emergency Act, C.R.S. § 24-33.5-701 *et seq.*, I, Jared Polis, Governor of the State of Colorado, hereby issue this Executive Order extending Executive Order D 2020 293 authorizing the Colorado Department of Public Health and Environment (CDPHE) to reallocate existing funds from contracts with local public health agencies due to the presence of coronavirus disease 2019 (COVID-19) in the State.

I. Background and Purpose

On March 5, 2020, CDPHE's public health laboratory confirmed the first presumptive positive COVID-19 test result in Colorado. Since then, the number of confirmed cases has continued to climb, and we have evidence of widespread community spread throughout the State. I verbally declared a disaster emergency on March 10, 2020, and on March 11, 2020, I issued the corresponding Executive Order D 2020 003, as amended by Executive Orders D 2020 018, D 2020 032, D 2020 058, D 2020 076, D 2020 109, D 2020 125, D 2020 152, D 2020 176, D 2020 205, D 2020 234, D 2020 258, D 2020 264, D 2020 268, D 2020 284, D 2020 290, D 2020 296, D 2021 009, and D 2021 022. On March 25, 2020, I requested that the President of the United States declare a Major Disaster for the State of Colorado, pursuant to the Stafford Act. The President approved that request on March 28, 2020.

My administration, along with other State, local, and federal authorities, has taken a wide array of actions to mitigate the effects of the pandemic, prevent further spread, and protect against overwhelming our health care resources. On May 16, 2020, I issued Executive Order D 2020 066, which reallocate existing funds from contracts with local public health agencies during State Fiscal Year 2019-2020.

On December 29, 2020, I issued Executive Order D 2020 293, which directed CDPHE to reallocate existing funds from contracts with local public health agencies to COVID-19 response activities and permitted the use of certain funds to conduct research to better serve minority and traditionally disadvantaged communities.

This Executive Order extends Executive Order D 2020 293 for an additional thirty (30) days, to allow CDPHE to reprioritize the use of existing funds and provide flexibility to local public health agencies as they respond to COVID-19 during State Fiscal Year 2020-2021.

II. Duration

Executive Order D 2020 293, as extended by this Executive Order, shall expire thirty (30) days from January 27, 2021, unless extended further by Executive Order. In all other respects, Executive Order D 2020 293 shall remain in full force and effect as originally promulgated.

GIVEN under my hand and the Executive Seal of the State of Colorado, this twenty-seventh day of January, 2021.

Jared Polis
Governor
