ORDER ADVANCING ALL COMMUNITIES TO PHASE III, STEP 2 OF THE COMMONWEALTH'S REOPENING PLAN

COVID-19 Order No. 65

Superseding and Rescinding Order No. 58

WHEREAS, on March 10, 2020, I, Charles D. Baker, Governor of the Commonwealth of Massachusetts, acting pursuant to the powers provided by Chapter 639 of the Acts of 1950 and Section 2A of Chapter 17 of the General Laws, declared that there now exists in the Commonwealth of Massachusetts a state of emergency due to the outbreak of the 2019 novel Coronavirus ("COVID-19");

WHEREAS, on March 11, 2020, the COVID-19 outbreak was characterized as a pandemic by the World Health Organization;

WHEREAS, the Federal Centers for Disease Control and Prevention ("CDC") have advised that COVID-19 is spread mainly by person-to-person contact and that the best means of slowing the spread of the virus is through practicing social distancing and by minimizing personal contact with large groups and with environments where this potentially deadly virus may be transmitted including, in particular, spaces that present enhanced risks because of the large number of persons present or passing through the area who may spread the virus through respiratory activity or surface contacts;

WHEREAS, on March 23, 2020, in order to restrict all non-essential person-to-person contact and movement outside the home, and reduce opportunities for spreading the COVID-19 virus within the Commonwealth, I issued COVID-19 Order No. 13, which temporarily closed the brick-and-mortar premises of businesses and organizations that do not provide COVID-19 Essential Services;

PRINTED ON RECYCLED PAPER

WHEREAS, in response to gradual improvements in the public health data, on May 18, 2020, June 6, 2020, and July 2, 2020, I issued COVID-19 Orders No. 33, 37, and 43, respectively, which designated certain businesses and other organizations as Phase I, II, III, or IV enterprises and initiated a progressive, phased plan for re-opening workplaces and other facilities across the Commonwealth;

WHEREAS, on December 13, 2020, in response to concerning COVID-19 case growth and the resulting pressure placed on hospital capacity, I returned the Commonwealth to Phase III, Step 1 of the re-opening plan;

WHEREAS, there have been sustained improvements in the public health data since the beginning of January, including a decline in the 7-day average of confirmed COVID-19 cases from 6,241 on January 8, 2021 to 1,157 on February 23, and a decline in the 7-day average of hospitalizations from 2,347 on January 7 to 956 hospitalizations on February 23;

WHEREAS, at the same time, vaccinations have become available for certain populations within the Commonwealth and a total of 1,518,481 vaccination doses have been administered as of February 24, including 433,593 second doses;

WHEREAS, this improvement in the public health data permits a phased relaxation of restrictions on businesses and other organizations, provided, however, that such adjustments can only be maintained or expanded on the basis of continuing positive trends in the public health data; and

WHEREAS, sections 7, 8, and 8A of Chapter 639 of the Acts of 1950 authorize the Governor, during the effective period of a declared emergency, to exercise any and all authority over persons and property necessary or expedient for meeting the state of emergency, including but not limited to authority over assemblages in order to protect the health and safety of persons, transportation and travel by any means or mode, regulating the sale of articles of food and household articles, variance of the terms and conditions of licenses and permits issued by the Commonwealth or any of its agencies or political subdivisions, and policing, protection, and preservation of public and private property;

NOW, THEREFORE, I hereby Order the following:

1. Advancement to Phase III, Step 2

Effective March 1, 2021 in all municipalities in the Commonwealth, businesses and other organizations that are designated as Phase III, Step 2 enterprises on the attached Schedule A may open their brick-and-mortar premises to workers, customers, and the public.

Phase I, II, and III enterprises, as identified in Schedule A, may operate pursuant to revised Sector-Specific COVID-19 workplace safety rules that may provide for increased capacity and other adjustments to safety protocols upon the effective date of Step 2 of Phase III.

2. COVID-19 Workplace Safety Rules for Phase III, Step 2

The Director of the Department of Labor Standards shall issue, subject to my approval (i) Sector-Specific COVID-19 workplace safety rules for Phase III, Step 2 enterprises permitted to open their brick-and-mortar premises pursuant to Section 1 of this Order; and (ii) revised Sector-Specific COVID-19 workplace safety rules that may provide for increased capacity and other adjustments for Phase I, III, and III enterprises.

The provisions of Sections 4 and 5 of COVID-19 Order No. 43 (and Section 4 of COVID-19 Order No. 37 as incorporated in COVID-19 Order No. 43), which set requirements for compliance with generally applicable and Sector-Specific COVID-19 safety rules and mechanisms for enforcement for all Phase III enterprises shall apply to Phase III, Step 2 enterprises that are authorized to open their premises pursuant to this Order. Any penalty issued in an enforcement action shall be administered as provided in COVID-19 Order No. 48.

Effective March 1, 2021, COVID-19 Order No. 58 is rescinded.

This Order is effective at 12:01 am on March 1, 2021 and shall remain in effect until rescinded or until the state of emergency is ended, whichever occurs first.

Given in Boston at 12:15 AM/PM this 25th day of February, two thousand and twenty-one
