In light of the continuing COVID-19 pandemic and to ensure continued access to courts, the Court orders that:

For all deadlines applicable to the commencement of all civil and probate case-types, including but not limited to the deadline for the initial filing of a pleading under MCR 2.110 or a motion raising a defense or an objection to an initial pleading under MCR 2.116, and any statutory prerequisites to the filing of such a pleading or motion, any day that falls during the state of emergency declared by the Governor related to COVID-19 is not included for purposes of MCR 1.108(1).

This order is intended to extend all deadlines pertaining to case initiation and the filing of initial responsive pleadings in civil and probate matters during the state of emergency declared by the Governor related to COVID-19. Nothing in this order precludes a court from ordering an expedited response to a complaint or motion in order to hear and resolve an emergency matter requiring immediate attention. We continue to encourage courts to conduct hearings remotely using two-way interactive video technology or other remote participation tools whenever possible.

This order in no way prohibits or restricts a litigant from commencing a proceeding whenever the litigant chooses. Courts must have a system in place to allow filings without face-to-face contact to ensure that routine matters, such as filing of estates in probate court and appointment of a personal representative in a decedent's estate, may occur without unnecessary delay and be disposed via electronic or other means.

I, Larry S. Royster, Clerk of the Michigan Supreme Court, certify that the foregoing is a true and complete copy of the order entered at the direction of the Court.
