Governor Carney, DPH, DEMA Announce Community COVID-19 Testing Sites

State agencies encourage COVID-19 testing

WILMINGTON, Del. – Governor John Carney, the Delaware Division of Public Health (DPH), and the Delaware Emergency Management Agency (DEMA) announced the list of community testing sites throughout Delaware this week. Testing locations listed below include pop-up and Curative trailer sites.

> *"Getting tested after you've been with others outside of your household will help us track the spread of COVID-19, but it's also necessary to follow basic prevention measures that we know work," said* ***Governor Carney****. "Wear a mask. Avoid social gatherings with folks outside of your household. Stay home if you're sick. We need everyone to double down on their efforts in order to limit the spread of this virus."*

DEMA has coordinated community sites this week in addition to sites at Walgreens and at various hospitals and health care locations. Delawareans can view COVID-19 testing locations and reserve a spot at **de.gov/gettested**.

Delawareans are encouraged to check the Delaware Department of Health and Social Services' social media accounts (Facebook, Twitter, and Instagram) for testing location updates due to inclement weather.
