Registration Renewals Now Available by Appointment at NJMVC

TRENTON – The New Jersey Motor Vehicle Commission today announced that vehicle registration renewals are now available by appointment at NJMVC.gov (https://njmvc.gov/) for customers who are not eligible for online renewal.

Most registration renewals can be completed online at NJMVC.gov (https://njmvc.gov/). Appointments are offered **only** for those who have tried to renew their registration online, but are not eligible, necessitating an in-person visit to an MVC Vehicle Center.

The MVC has added 20 vehicle categories eligible for online registration renewal since the onset of the COVID-19 pandemic.

Appointments are scheduled on a rolling, 30-day basis at https://telegov.njportal.com/njmvc (https://telegov.njportal.com/njmvc).

Last week, the MVC announced the addition of appointments for out-of-state transfers and registration/title transfers, also available for scheduling at NJMVC.gov (https://njmvc.gov/). Ten MVC Vehicle Centers will be shifting to appointment-only, starting November 2.
