FOR: **SIXTH RENEWAL OF THE PUBLIC HEALTH EMERGENCY DECLARATION FOR THE COVID-19 OUTBREAK**

TO ALL WHOM THESE PRESENTS MAY COME, GREETINGS:

WHEREAS, on March 6, 2020, I issued Executive Order 20-02 which declared a public health emergency exists throughout the State of Indiana as a result of the coronavirus disease 2019 (COVID-19) outbreak in the United States and a confirmed report that the disease had spread to the State of Indiana;

WHEREAS, on March 11, 2020, the World Health Organization declared COVID-19 to be a global pandemic, and, on March 13, 2020, the President of the United States declared a national emergency with respect to this dangerous virus;

WHEREAS, Ind. Code § 10-14-3-12(a) provides that a state of disaster emergency shall continue until the Governor: (1) determines that the threat or danger has passed or that the disaster has been dealt with to the extent that emergency conditions no longer exist; and (2) terminates the state of disaster emergency by executive order or proclamation;

WHEREAS, Ind. Code § 10-14-3-12(a) also provides that a state of disaster emergency may not continue for longer than thirty (30) days unless the state of disaster emergency is renewed by the Governor;

WHEREAS, on April 3, 2020, I issued Executive Order 20-17, which, effective April 5, 2020, renewed the state of disaster emergency for an additional thirty (30) day period beyond its original expiration date;

WHEREAS, on May 1, 2020, I issued Executive Order 20-25, which, effective May 5, 2020, renewed the state of disaster emergency for an additional thirty (30) day period beyond the renewed expiration date;

WHEREAS, on June 3, 2020, I issued Executive Order 20-30, which, effective June 4, 2020, renewed the state of disaster emergency for an additional thirty (30) day period beyond the renewed expiration date;

WHEREAS, on July 1, 2020, I issued Executive Order 20-34, which, effective July 4, 2020, renewed the state of disaster emergency for an additional thirty (30) day period beyond the renewed expiration date and is currently set to expire on August 3, 2020;

WHEREAS, on July 30, 2020, I issued Executive Order 20-38, which, effective August 3, 2020, renewed the state of disaster emergency for an additional thirty (30) day period beyond the renewed expiration date and is currently set to expire on September 2, 2020;

WHEREAS, as of the date of this Executive Order, the virus has now spread to every county throughout Indiana with over 89,000 confirmed cases and 3,000 deaths;

WHEREAS, during the past 30 days, the rate of COVID-19 positivity has held steady, however it remains almost double the state's low of 3.6% in June. Hospitalization rates have also held steady during that same time period, but they too remain more than 30 percent higher than the state's low of 600 in June. The collective efforts the state has undertaken during the past 30 days have stymied the rapid spread we faced as more activities resumed, and we must continue these efforts if we wish to return to the low the state realized in June;

WHEREAS, despite significant steps being taken in our State, the virus remains a threat to the health, safety and welfare of all residents of Indiana such that the emergency conditions continue to exist, and efforts are needed to continue to address, control and reduce the threat posed by COVID-19; and

WHEREAS, in light of the above, it is necessary and proper to take further action to protect the health, safety and welfare of all Hoosiers in connection with COVID-19 and, specifically, to renew the state of disaster emergency;

NOW, THEREFORE, I, Eric J. Holcomb, by virtue of the authority vested in me as Governor by the Indiana Constitution and the laws of the State of Indiana, do hereby order that:

The above-referenced Executive Orders are numbered 20-03 through 20-40.

IT IS SO ORDERED.
