INTERIM POLICY ON CONTINUING MEDICAL EDUCATION REQUIREMENT

April 2, 2020
Revised December 17, 2020

On March 10, 2020, Governor Baker declared a State of Emergency in Massachusetts in Executive Order No. 591, Declaration of a State of Emergency to Respond to COVID-19. For the duration of this state of emergency and until December 31, 2021, the continuing medical education (CME) requirement for physicians is suspended. Any physician with a CME requirement whose license is due for renewal on April 2, 2020 through and including Dec. 31, 2021 will not be required to complete any CME requirement.

This interim order supersedes any existing Board policy or regulation to the contrary for the duration of the state of emergency and until Dec. 31, 2021 in Massachusetts.
