Covid Vaccine Webinar for People with Disabilities

The University of Delaware (UD) Center for Disabilities Studies (CDS) will host a webinar to talk about Delaware's COVID vaccine administration plan, and how people with disabilities can get a vaccine.

The webinar will be held on **February 24th at Noon.**

Presenting at this FREE Center for Disabilities Studies webinar are experts in public health and the allocation of vaccines to vulnerable populations:

Jennifer Horney, *Founding Director, and Professor, UD Epidemiology Program*

Coury Nourie, *Director of Community Services, Delaware Division of Developmental Disabilities Services*

Kara Ayers, *Director, Center for Dignity in Healthcare for People with Disabilities*

Presenters will also take your questions.

Click here to visit the webinar registration page
or call Zachary Davis at 302-831-8879 for more information.

This webinar will be hosted using Zoom. To download the Zoom application and for instructions on how to set up Zoom on your computer or device, visit the Zoom website here.

To request accommodations contact Zachary Davis. Live captioning will be provided.
