STATE OF MARYLAND

Proclamation

Renewal of Declaration of State of Emergency and
Existence of Catastrophic Health Emergency — COVID-19

WHEREAS, on March 5, 2020, a state of emergency and catastrophic health emergency was, pursuant to the Maryland Constitution and Laws of Maryland, including but not limited to Title 14 of the Public Safety Article, and in an effort to control and prevent the spread of COVID-19, proclaimed within the entire State of Maryland;

WHEREAS, COVID-19 is a highly infectious respiratory disease that spreads easily from person to person, physically contaminates property by attaching to surfaces for prolonged periods of time, and may result in serious illness or death;

WHEREAS, COVID-19 is a public health catastrophe and has been confirmed in all Maryland counties;

WHEREAS, since the declaration of a state of emergency and existence of a catastrophic health emergency on March 5, 2020, there have been nearly 55,000 laboratory-confirmed positive COVID-19 cases and more than 2,500 related deaths in Maryland, with significant increases in new confirmed cases daily;

WHEREAS, the proclamation declaring the emergencies was renewed on March 17, 2020, April 10, 2020, and May 6, 2020;

WHEREAS, the spread of COVID-19 in the state continues to pose an immediate threat to all Marylanders of extensive loss of life or serious disability;

WHEREAS, the emergency conditions, state of emergency, and catastrophic health emergency continue to exist;

WHEREAS, all levels of government in Maryland must deploy resources to protect public health and safety;

WHEREAS, continued emergency response by the State is needed to progress through the Maryland Strong: Roadmap for Recovery, including expanding COVID-19 testing capacity, maintaining adequate patient surge capacity, supplying sufficient personal protective equipment, and executing a robust contact-tracing operation;

WHEREAS, to reduce the spread of COVID-19, the U.S. Centers for Disease Control and Prevention and the Maryland Department of Health recommend social distancing and avoiding gatherings;

WHEREAS, the currently known and available scientific evidence and best practices support limitations on gatherings and social distancing to prevent exposures and transmissions;

WHEREAS, to reduce the threat to human health caused by transmission of the novel coronavirus in Maryland, and to protect and save lives, it is necessary and reasonable that individuals in the state refrain from congregating;

WHEREAS, the ordinary conduct of the State's canvassing of ballots and observation of each part of the canvass for the June 2, 2020, primary election would, during the state of emergency and catastrophic health emergency, hinder social distancing, enable the transmission of the novel coronavirus, and pose risks to public health, welfare, and safety;

WHEREAS, the canvass of ballots and observation of each part of the canvass must be secure and safe; and

WHEREAS, COVID-19, the state of emergency and the catastrophic health emergency, and the State's emergency actions in response have impaired the ability of governmental officials, employees, and volunteers to conduct the canvass of ballots and observation of each part of the canvass in accordance with the existing statutory and legal systems and procedures;

NOW, THEREFORE, I, LAWRENCE J. HOGAN, JR., GOVERNOR OF THE STATE OF MARYLAND, BY VIRTUE OF THE AUTHORITY VESTED IN ME BY THE MARYLAND CONSTITUTION AND THE LAWS OF MARYLAND, INCLUDING BUT NOT LIMITED TO TITLE 14 OF THE PUBLIC SAFETY ARTICLE AND TITLE 8 OF THE ELECTION LAW ARTICLE, AND IN AN EFFORT TO CONTROL AND PREVENT THE SPREAD OF COVID-19 WITHIN THE STATE, HEREBY DECLARE THAT A STATE OF EMERGENCY AND CATASTROPHIC HEALTH EMERGENCY CONTINUES TO EXIST WITHIN THE ENTIRE STATE OF MARYLAND, RENEW THE MARCH 5, 2020, PROCLAMATION, AND FURTHER PROVIDE AND ORDER, EFFECTIVE IMMEDIATELY:
