WHEREAS, on March 13, 2020, Donald J. Trump, President of the United States, issued the Proclamation on Declaring a National Emergency Concerning the Novel Coronavirus Disease (COVID-19) Outbreak;

WHEREAS, COVID-19 is caused by a virus that spreads easily from person to person, may result in serious illness or death, and has been characterized by the World Health Organization as a worldwide pandemic;

WHEREAS, the State must establish minimum standards to address a statewide emergency and recognizes the need for local authorities to impose directives and orders to address the unique circumstances in different locations in Utah;

WHEREAS, the Utah Economic Response Task Force has prepared and updated the Utah Leads Together plan for health and economic recovery to guide the State's efforts to stabilize and reconstitute the state economy while protecting public health, including by presenting economic phases, introducing color-coded health guidance and data tools, and providing plans to assist Utah's high risk individuals and multicultural communities that have been disproportionately impacted by COVID-19;

WHEREAS, the Utah Department of Health has released and updated as an addendum to the Utah Leads Together plan the Phased Guidelines for the General Public and Businesses to Maximize Public Health and Economic Reactivation, which provide a color-coded health guidance system comprising four levels of activity designated as Red (High Risk), Orange (Moderate Risk), Yellow (Low Risk), and Green (Normal Risk) (hereinafter, "Utah COVID-19 Health Risk Status"), where Red is most restrictive and each level of guidance after Red becomes progressively less restrictive and more economically engaged while still protecting public health;

WHEREAS, on May 27, 2020, the Utah Department of Health released version 4.5 of the Phased Guidelines for the General Public and Businesses to Maximize Public Health and Economic Reactivation;

WHEREAS, Utah Code § 53-2a-209(1) provides that orders issued by the governor under Title 53, Chapter 2a, Part 2, Disaster Response and Recovery Act, have the "full force and effect of law";

WHEREAS, Utah Code § 53-2a-204(1)(a) authorizes the governor to utilize all available resources of state government as reasonably necessary to cope with a state of emergency; and

WHEREAS, Utah Code § 53-2a-204(1)(b) authorizes the governor to employ measures and give direction to state and local officers and agencies that are reasonable and necessary for the purpose of securing compliance with orders made pursuant to the Disaster Response and Recovery Act:
