Some License Renewals Now Available by Appointment at NJMVC

TRENTON – The New Jersey Motor Vehicle Commission today announced that license and non-driver ID renewals are now available by appointment at NJMVC.gov (https://njmvc.gov/) for customers who are not eligible for online renewal.

Most license renewals can be completed online at NJMVC.gov (https://njmvc.gov/). Appointments are offered only for those who are not eligible for online renewal. This would include those who hold a temporary visa or probationary license as well as Commercial Drivers.

Appointments are scheduled on a rolling, 30-day basis at https://telegov.njportal.com/njmvc (https://telegov.njportal.com/njmvc).

In recent weeks, the MVC announced the addition of appointments for out-of-state transfers, registration/title transfers, and registration renewals, also available for scheduling at NJMVC.gov (https://njmvc.gov/). Ten MVC Vehicle Centers are now operating on an appointment-only basis.
