BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 37-61-33, Mississippi Code of 1972, is amended as follows:

37-61-33. (1) There is created within the State Treasury a special fund to be designated the "Education Enhancement Fund" into which shall be deposited all the revenues collected pursuant to Sections 27-65-75(7) and (8) and 27-67-31(a) and (b).

(2) Of the amount deposited into the Education Enhancement Fund, Sixteen Million Dollars ($16,000,000.00) shall be appropriated each fiscal year to the State Department of Education to be distributed to all school districts. Such money shall be distributed to all school districts in the proportion that the average daily attendance of each school district bears to the average daily attendance of all school districts within the state for the following purposes:

(a) Purchasing, erecting, repairing, equipping, remodeling and enlarging school buildings and related facilities, including gymnasiums, auditoriums, lunchrooms, vocational training buildings, libraries, teachers' homes, school barns, transportation vehicles (which shall include new and used transportation vehicles) and garages for transportation vehicles, and purchasing land therefor.

(b) Establishing and equipping school athletic fields and necessary facilities connected therewith, and purchasing land therefor.

(c) Providing necessary water, light, heating, air-conditioning and sewerage facilities for school buildings, and purchasing land therefor.

(d) As a pledge to pay all or a portion of the debt service on debt issued by the school district under Sections 37-59-1 through 37-59-45, 37-59-101 through 37-59-115, 37-7-351 through 37-7-359, 37-41-89 through 37-41-99, 37-7-301, 37-7-302 and 37-41-81, or debt issued by boards of supervisors for agricultural high schools pursuant to Section 37-27-65, if such pledge is accomplished pursuant to a written contract or resolution approved and spread upon the minutes of an official meeting of the district's school board or board of supervisors. The annual grant to such district in any subsequent year during the term of the resolution or contract shall not be reduced below an amount equal to the district's grant amount for the year in which the contract or resolution was adopted. The intent of this provision is to allow school districts to irrevocably pledge a certain, constant stream of revenue as security for long-term obligations issued under the code sections enumerated in this paragraph or as otherwise allowed by law. It is the intent of the Legislature that the provisions of this paragraph shall be cumulative and supplemental to any existing funding programs or other authority conferred upon school districts or school boards. Debt of a district secured by a pledge of sales tax revenue pursuant to this paragraph shall not be subject to any debt limitation contained in the foregoing enumerated code sections.

Classroom supply funds allocated under this subparagraph shall supplement, not replace, other local and state funds available for the same purposes.
