March 18, 2020: Court Business to be Conducted in 15 Locations Only

Effective Thursday, March 19, 2020, the Judicial Branch implemented these changes:

- One building in each of the 13 Judicial Districts has been designated as the location at which only Priority 1 functions (as defined in our Continuity of Operations Plan) will be handled. Here is a list of courthouses that will remain open.
- Juvenile Matters are heard in the Hartford and Bridgeport juvenile courthouses.
- The Branch's Executive Directors have reach out to their respective employees to determine who will staff these locations and conduct all other vital functions such as information technology, human resources and payroll.
- All other staff will remain at home. Those whose jobs allow them to work at home will do so.
