Juror Information for all Circuit Courts Regarding Coronavirus (COVID-19)

Potential jurors who are ill or in "higher risk" or "others at risk" categories (as defined on the Centers for Disease Control and Prevention (CDC) website) may contact the court to reschedule their jury service.

If, at the time you are scheduled to appear for service, you are experiencing symptoms of acute respiratory illness, such as fever, please contact the court at the phone number provided on the jury summons to reschedule your service.

For additional information from your local circuit court, please visit its website (see Find a Court) or use the contact information provided on the jury summons. Court websites will have jury information in the main navigation menu and any special announcements, often under Alerts at the top, under Contact and Location information, or under Latest News at the bottom.
