Iowa allocates $15 million in CARES Funds to broadband programs

Mon, 03/22/2021 - 09:05

Today the state of Iowa has awarded 14 broadband providers with $15,542,302 in Empower Rural Iowa broadband grants made possible through Governor Reynolds allocation of federal CARES funding. These grants will impact 21 Iowa counties and more than 2,800 homes, schools, and businesses.

“The COVID-19 pandemic only underscored the need for fast, reliable, and accessible broadband,” said Gov. Reynolds. “This investment goes directly to projects that are in
