WALMART EBT FOOD PURCHASING IN HAWAIʻI (CURBSIDE PICK-UP AND DELIVERY OPTIONS NOW AVAILABLE)

Posted on Sep 29, 2020 in Featured, NEWS

FOR IMMEDIATE RELEASE September 29, 2020

The Department of Human Services (DHS) is pleased to share that last week the testing was completed, and Hawaiʻi Walmart stores received approval from the Food and Nutrition Service under the U. S. Department of Agriculture to enable the Online Express Grocery Program for Hawaii's SNAP recipients.

This program will enable kupuna, those with pre-existing health conditions, and others who would

prefer not to go into the store, to pick up their groceries curbside at no cost. Or they can utilize the delivery option and the fee is approximately $20 per transaction. There is no minimum purchase to utilize both options for those using their EBT card.

DHS is actively working on expanding this program, and we hope that this will be the first of many grocers in Hawaii that will join this program.
