More Than 100 New COVID-19 Vaccination Locations Added

News – Wednesday, February 10, 2021

Meijer and Walmart now offering vaccines at a limited number of stores

SPRINGFIELD – The number of coronavirus disease (COVID-19) vaccination locations across Illinois continues to increase. Since February 4, 2021, 134 new locations have been added to the list of COVID-19 vaccination sites open to the public for a current total of 517 locations. The new sites include 22 local health department, medical center, and hospital locations, two new mass vaccination locations supported by the local health department and Illinois National Guard, and 110 additional retail pharmacy stores.

Local Health Departments, Hospitals, Medical Centers

- Carle Foundation Hospital – Champaign
- Clark County Health Department - Martinsville
- Crawford County Health Department – Robinson
- Elmhurst Hospital – Downers Grove
- Franklin Williamson Bi-County Health Department – West Frankfort
- Gibson Area Hospital – Gibson City
- HSHS St. Elizabeth's Hospital – O'Fallon
- Iroquois Memorial Hospital – Watseka
- Jo Daviess County Health Department – (2 locations Elizabeth and Galena)
- Katherine Shaw Bethea Hospital and Center for Health Services – (3 locations Polo, Oregon, Dixon)
- Lee County Health Department – Dixon
- Madison County Health Department – Wood River
- Massac Memorial Hospital – Metropolis
- McDonough District Hospital Health Services – Macomb

Riverside Medical Center – Kankakee (2 locations)

- Schuyler County Health Department – Rushville
- Swedish Hospital – Chicago
- University of Illinois Health – Chicago

State Support Vaccination Locations

- South Suburban College – 15800 State St., South Holland
- Thornton Fractional High School – 18500 Burnham Ave., Lansing

Retail Pharmacies

The State of Illinois is partnering with **Hy-Vee**, **Jewel-Osco**, **Kroger**, **Mariano's**, **Meijer**, **Walgreens**, and **Walmart** pharmacies to provide COVID-19 vaccinations.

- Hy-Vee – 16 locations
- Jewel-Osco – 143 locations
- Kroger – 24 locations
- Mariano's – 31 locations
- Meijer – 8 locations
- Walgreens – 181 locations
- Walmart – 8 locations

The current phase of vaccination, Phase 1B, includes approximately 3.2 million people in Illinois. While we are working to increase the number of vaccines administered daily, we are limited by the amount of vaccine available and allocated by the federal government. Vaccinations are available only by appointment at this time and we encourage people to check back frequently for open appointments. Until the supply is increased, there will be a great demand and we ask people to be patient. Individuals should be signing up for an appointment to receive their second dose while they are getting their first vaccination.

For information on how to make an appointment to receive the vaccine, updates on the state's plan and eligibility, and answers to frequently asked questions about the COVID-19 vaccine, go to **coronavirus.illinois.gov**.
