Reduced Days of Operation at State Courthouses

April 3, 2020

Chief Court Administrator Patrick L. Carroll III announced today that the days of operation will be further reduced in all Judicial Branch courthouses that remain open. All courthouses will be closed on Tuesday, April 7, 2020. Beginning on Tuesday, April 14, 2020, all courthouses will be closed on Tuesdays and Thursdays until further notice.

This further reduction of the days that the courts will be open to the public is part of the Judicial Branch's ongoing effort to secure the highest possible level of protection to the public and the staff who work in our courthouses. Our overarching goal remains the same: to protect our employees and members of the public by keeping as few courthouses open, for the shortest period of time possible, as may be necessary to hear the critical priority one cases.
