Governor Carney, DPH, DEMA Announce Community COVID-19 Testing Sites

State agencies encourage COVID-19 testing

WILMINGTON, Del. – Governor John Carney, the Delaware Division of Public Health (DPH), and the Delaware Emergency Management Agency (DEMA) announced the list of community testing sites throughout Delaware next week. Testing locations listed below include pop-up and Curative trailer sites, as well as community sites hosted by New Castle County.

> *"We are seeing high levels of community spread of COVID-19, which is why it's necessary to follow basic health precautions to protect Delaware's hospital capacity and protect lives this winter," said **Governor Carney**. "Testing is the best way to track the spread of this virus so please get a test. Don't gather with anyone outside of your household. Any interaction is riskier when community spread is at current levels. Wear a mask whenever you're around someone outside your household – even if they're family or friends. Wash or sanitize your hands frequently. Stay vigilant."*

DEMA has coordinated community sites this week in addition to sites at Walgreens and at various hospitals and health care locations. Delawareans can view a full list of COVID-19 testing locations at **de.gov/gettested**.

Delawareans are encouraged to check the Delaware Department of Health and Social Services' social media accounts (Facebook, Twitter, and Instagram) for testing location updates due to inclement weather.
