Billing Deadline for One-Time Payment to Waiver Providers

August 28, 2020 | DODD

The Ohio Department of Developmental Disabilities (DODD) has received approval from the Centers for Medicare and Medicaid Services (CMS) to make a one-time payment to waiver providers of Homemaker/Personal Care (HPC) including On-Site/On-Call (OSOC), Participant-Directed Homemaker/Personal Care (PD/HPC), and Shared Living.

The amount of each provider's payment will be calculated as a percentage of the total amount of their HPC, OSOC, PD/HPC, and Shared Living claims that have been received by DODD for dates of service from March through July 2020 at the time the calculation is made. **It is important that any outstanding billing for the time period of March through July 2020 be submitted by next week's billing deadline of 12 PM on Wednesday, September 2, 2020**.
