# County courthouses limiting access to the public

Tuesday, March 2, 2021

Feb. 8: The Dickey County Courthouse doors are locked due to a basement renovation and courthouse security. There is a new intercom system to let the public into the building. The intercom in the foyer has a camera on it and when the public pushes a button corresponding to the office they want to visit, a tablet will be used to unlock the doors.

Jan. 6: The Grand Forks County Courthouse remains closed to the public. Entrance is by appointment only. The county commission has approved reopening effective Monday, April 12, 2021.

Jan. 5: The Steele County courthouse is closed to the public. Appointments need to be made by phone.

Nov. 24: The Traill County courthouse is locked to the public but people may call and be screened to come in.
