Monday May 4, 2020

Boise, Idaho – Governor Brad Little announced today the full eligibility criteria and process for small businesses to apply for an Idaho Rebound cash grant.

Governor Little announced last week that $300 million in cash grants will be made available to Idaho small businesses impacted by COVID-19.

No other state in the country is putting up more money in direct cash support for small businesses.

Cash grants of up to $10,000 will be directly deposited into the bank accounts for eligible businesses. More than 30,000 businesses could benefit.

The Governor's Coronavirus Financial Advisory Committee finalized the eligibility criteria and related details.

Applications will be handled in two waves:

- Eligible entities with one to 19 employees may apply starting at noon MDT on May 11 through noon MDT on May 15
- Eligible entities with one to 50 employees may apply starting at noon MDT on May 18 through noon MDT on May 22

All applicants must first establish a secure Taxpayer Access Point (TAP) account if they do not already have one, in order to protect their personal and business information on submitted applications.
