OSDA, COOL Reach Out/Tele-Friend Program

June 09, 2020 | DODD

The Ohio Self Determination Association (OSDA) and its advisory Council of Ohio Leaders (COOL) are so excited about our Reach Out / Tele-Friend opportunity!

Tele-Friend was started to make sure connection to others was available to a person living with a disability who is home more than usual due to the recent coronavirus (COVID-19) pandemic, illness, or any other reason. OSDA volunteers provide this connection by calling once a week or once a month or other times that work for the person and the volunteer.

Guidelines:

Reach Out Tele Friend Guidelines

Request a Call:
