NEBRASKA DEPARTMENT OF AGRICULTURE ORDER
No. 04132020

I hereby Order that persons with a valid commercial, noncommercial, and private applicator license issued pursuant to the Nebraska Pesticide Act, Nebraska Revised Statutes §§2-2622 to 2-2659 (the Act) which expire on April 15, 2020, who notify the Department of their intent to renew the license and pay the required license fee to the Nebraska Department of Agriculture by May 15, 2020, will be allowed to defer the required training for license renewals until April 15, 2021. I also Order that the time period is increased from 60 days to 120 days for a noncertified applicator to work under the provisions of the Act for exemption from certification.

Dated the 13th day of April, 2020.
