CARES Act Elections Assistance Presentation

To the Election Officers of New Hampshire and the Governing Bodies of New Hampshire Towns and
Cities and unincorporated places:

We are pleased to provide this Notice of Grant Opportunity for funding through the federal CARES
Act for the election. The attached document explains how cities, towns and unincorporated places can
obtain partial reimbursement for qualified expenses of carrying out the upcoming September 8, 2020
state primary and November 3, 2020 general election.

This grant program provides 3 million dollars of CARES Act funding for the upcoming elections to
New Hampshire's cities, towns and unincorporated places. The grant allocates to each city, town and
unincorporated place a maximum amount that is proportional to that town or city's share of the total
votes cast in the 2016 primary and general election. Federal law and regulation requires extensive
agreements and documentation to receive a sub-grant of federal funds. We are striving to make the
process as simple as possible. BerryDunn, an accounting firm, has extensive experience with federal
grant funds. They will assist you with this process.

out and the total
cast at each federal election. Provided the number of additional absentee ballots in your town or city
supports reimbursing your full allocation, you will not need to submit additional documentation to the
state.
