NOTICE TO LICENSEES

Notice # 2020-23 Issuing Division: Administration

DATE: **April 2, 2020**

TO: **All Gaming Licensees and Other Interested Persons**

FROM: **Nevada Gaming Control Board**

SUBJECT: **Additional Temporary Suspension of Licensee Operations**

Pursuant to Governor Sisolak's Declaration of Emergency Directive 010 issued on April 1, 2020, the Nevada Gaming Control Board will be enforcing the following temporary suspension of licensee operations:

> **All gaming devices, machines, tables, games, and any equipment related to gaming activity must be shut down until 11:59pm on April 30, 2020.**

The above restriction is subject to change pursuant to subsequent directives from the Governor or notices from the Board.

Additionally, based on the Governor's Declaration of Emergency originally issued on March 12, 2020, and extended on April 1, 2020, the Board hereby approves the temporary closure of all licensed gaming establishments that have ceased operations of all licensed games during the duration of the ordered closure utilizing the provisions in Regulation 9.010(4). Upon termination of Declaration of Emergency Directive 002, the provisions of Regulation 9.010(2) shall apply. Pursuant to Regulation 9.010(5), a temporarily closed establishment still holds a valid gaming license under the same conditions as it operated prior to the temporary closure.

To assist licensees in complying with Industry Notice #2020-19, the Board issued a Policy Memorandum for casino closures, changeovers, and temporary closures on March 17, 2020. Item #13 of the Policy Memorandum indicates that "[u]pon demand by a patron, all payments should be made within 30 days of demand unless otherwise approved by the Board." Effective immediately, this payment period is extended to require such payment demands be satisfied no later than 15 business days after the Governor authorizes licensees to resume gaming operations.
