EXECUTIVE ORDER

Extending Executive Order D 2020 019 Concerning the Temporary Suspension of the Personal Appearance Requirement for Notarization due to the Presence of COVID-19

Pursuant to the authority vested in the Governor of the State of Colorado and, in particular, pursuant to Article IV, Section 2 of the Colorado Constitution and the relevant portions of the Colorado Disaster Emergency Act, C.R.S. § 24-33.5-701 *et seq.*, I, Jared Polis, Governor of the State of Colorado, hereby issue this Executive Order extending Executive Order D 2020 019 until April 30, 2020, concerning the temporary suspension of the personal appearance requirement before notarial officers to perform notarizations due to the presence of coronavirus disease 2019 (COVID-19) in Colorado.

I. Background and Purpose

On March 5, 2020, the Colorado Department of Public Health and Environment's (CDPHE) public health laboratory confirmed the first presumptive positive COVID-19 test result in Colorado. Since then, the number of confirmed cases has continued to climb, and we have evidence of community spread throughout the State. I verbally declared a disaster emergency on March 10, 2020, and issued the corresponding Executive Order D 2020 003 on March 11, 2020. On March 25, 2020, I requested that the President of the United States declare a Major Disaster for the State of Colorado, pursuant to the Stafford Act. The President approved that request on March 28, 2020.

My administration, along with other State, local, and federal authorities, has taken a wide array of actions to mitigate the effects of the pandemic, prevent further spread, and protect against overwhelming our health care resources.

We must take action to minimize the duration of this epidemic and the disruption to our daily lives. The virus that causes COVID-19 is spread primarily by close contact between people and through respiratory droplets when an infected person coughs or sneezes. Public health experts recommend we practice "social distancing," or maintaining a physical distance of six (6) feet or more from other people, as a way to slow the spread of COVID-19.

On March 27, 2020, I issued Executive Order D 2020 019, ordering the temporary suspension of the personal appearance requirement before notarial officers to perform notarizations, and authorizing the Secretary of State to promulgate and issue temporary emergency rules to permit notarial officers to perform remote notarizations.

This Executive Order extends Executive Order D 2020 019 until April 30, 2020, concerning the temporary suspension of the personal appearance requirement before notarial officers to perform notarizations. This extension will enable Coloradans to obtain required notarizations while observing social distancing guidelines and minimizing the risk of spreading COVID-19.

II. Duration

Executive Order D 2020 019, as extended through this Executive Order, shall expire on April 30, 2020, unless extended further by Executive Order. In all other respects, Executive Order D 2020 019 shall remain in full force and effect as originally promulgated.

GIVEN under my hand and the Executive Seal of the State of Colorado, this sixth day of April, 2020.
