PROCLAMATION BY THE GOVERNOR
AMENDING AND EXTENDING PROCLAMATIONS 20-05 AND 20-27

20-27.1
Extension - Electronic Notary

WHEREAS, on February 29, 2020, I issued Proclamation 20-05, proclaiming a State of Emergency for all counties throughout the state of Washington as a result of the coronavirus disease 2019 (COVID-19) outbreak in the United States and confirmed person-to-person spread of COVID-19 in Washington State; and

WHEREAS, as a result of the continued worldwide spread of COVID-19, its significant progression in Washington State, and the high risk it poses to our most vulnerable populations, I have subsequently issued amendatory Proclamations 20-06 through 20-51 exercising my emergency powers under RCW 43.06.220 by prohibiting certain activities and waiving and suspending specified laws and regulations; and

WHEREAS, the COVID-19 disease, caused by a virus that spreads easily from person to person which may result in serious illness or death and has been classified by the World Health Organization as a worldwide pandemic, has broadly spread throughout Washington State, seriously increasing the threat of serious associated health risks statewide; and

WHEREAS, there are currently at least 12,494 cases of COVID-19 in Washington State with 692 associated deaths, hospitalizations for COVID-19-like illnesses have sharply increased in the past month, and a large surge in the number of serious COVID-19 infections will compromise the ability of our health care system to deliver necessary health care services and continues to require a reduction in person to person contact; and

WHEREAS, on March 24, 2020, I issued Proclamation 20-27, waiving and suspending a portion of a law in order to implement the new electronic notary services provisions authorized by Senate Bill (SB) 5641 (Chapter 154, Laws of 2019), and codified within RCW 42.45, relating to electronic notarial acts by remotely located individuals, to prevent further spread of the virus and related prohibitions; and

WHEREAS, on April 22, 2020, under the provisions of RCW 43.06.220(4), the statutory waiver and suspension in Proclamation 20-27 was extended by the leadership of the Washington State Senate and House of Representatives until the termination of the COVID-19 State of Emergency or May 4, 2020, whichever occurs first; and

WHEREAS, the worldwide COVID-19 pandemic and its progression in Washington State continues to threaten the life and health of our people as well as the economy of Washington State, and remains a public disaster affecting life, health, property or the public peace; and

WHEREAS, the Washington State Department of Health continues to maintain a Public Health Incident Management Team in coordination with the State Emergency Operations Center and other supporting state agencies to manage the public health aspects of the incident; and

WHEREAS, the Washington State Military Department Emergency Management Division, through the State Emergency Operations Center, continues coordinating resources across state government to support the Department of Health and local health officials in alleviating the impacts to people, property, and infrastructure, and continues coordinating with the Department of Health in assessing the impacts and long-term effects of the incident on Washington State and its people.

NOW, THEREFORE, I, Jay Inslee, Governor of the state of Washington, as a result of the above-noted situation, and under Chapters 38.08, 38.52 and 43.06 RCW, do hereby proclaim that a State of Emergency continues to exist in all counties of Washington State, that Proclamation 20-05 and all amendments thereto remain in effect as otherwise amended, and that Proclamation 20-27 is amended to recognize the extension of a statutory waiver and suspension therein by the leadership of the Washington State Senate and House of Representatives until the termination of the COVID-19 State of Emergency or May 4, 2020, whichever occurs first.

I again direct that the plans and procedures of the *Washington State Comprehensive Emergency Management Plan* be implemented throughout state government. State agencies and departments are directed to continue utilizing state resources and doing everything reasonably possible to support implementation of the *Washington State Comprehensive Emergency Management Plan* and to assist affected political subdivisions in an effort to respond to and recover from the COVID-19 pandemic.

I continue to order into active state service the organized militia of Washington State to include the National Guard and the State Guard, or such part thereof as may be necessary in the opinion of The Adjutant General to address the circumstances described above, to perform such duties as directed by competent authority of the Washington State Military Department in addressing the outbreak. Additionally, I continue to direct the Department

of Health, the Washington State Military Department Emergency Management Division, and other agencies to identify and provide appropriate personnel for conducting necessary and ongoing incident related assessments.

Violators of this of this order may be subject to criminal penalties pursuant to RCW 43.06.220(5).

Signed and sealed with the official seal of the state of Washington on this 23rd day of April, A.D., Two Thousand and Twenty at Olympia, Washington.
