CUSTOMER ADVISORY

Jersey City MVC Center Reopens April 1

Eatontown and Delanco MVC Centers Closed Due to COVID-19

TRENTON – The New Jersey Motor Vehicle Commission (NJ MVC) today announced the Eatontown Regional and Delanco Licensing Centers are closed due to a single employee testing positive for COVID-19 at each location.

Eatontown will be closed until Monday, April 12, and the employee who tested positive was last in the agency Saturday, March 27.

As previously announced, road test operations at Eatontown will resume Monday, April 5.

Delanco will reopen Friday, April 9, and the employee who tested positive there was last in the agency Thursday, March 25. Road test operations at Delanco remain open.

Meanwhile, the Jersey City Vehicle Center will be reopening and resuming full operations tomorrow, Thursday, April 1, following the completion of staff quarantine and full COVID-19 cleaning.

All MVC facilities will be closed Friday, April 2, in observance of Good Friday.

MVC Centers Reopening

The following MVC Centers will reopen after full COVID-19 cleaning and the completion of staff quarantine. They had to close because an employee tested positive for COVID-19 at each location, and are scheduled to reopen on these dates:

Randolph Licensing Center	Saturday, April 3
Bayonne Licensing Center	Saturday, April 3
Salem Licensing Center	Saturday, April 3
South Plainfield Licensing Center	Tuesday, April 6
Somerville Vehicle Center	Tuesday, April 6
Rahway Licensing Center	Wednesday, April 7
South Brunswick Vehicle Center	Friday, April 9
Delanco Licensing Center	Friday, April 9
Oakland Licensing Center	Monday, April 12
Eatontown Regional/Licensing Center	Monday, April 12

MVC Online

The MVC now offers about 75% of transactions online at NJMVC.gov (https://njmvc.gov/). There are nearly 30 online services available at the website, including most renewals for licenses and registrations.

Before scheduling an appointment, customers should first check to see if their transaction can be completed online and skip the trip to an MVC agency.

Scheduling an Appointment for an In-Person Visit

Nearly all in-person transactions at both Licensing Centers and Vehicle Centers require an appointment scheduled at NJMVC.gov (https://njmvc.gov/).

Appointments are scheduled up to 60 days in advance and are widely available. The MVC has

steadily grown the number of appointments, adding thousands each day.

Appointment Cancellations

Any appointments canceled due to an MVC agency closure must be rescheduled on the website. Customers will get an email when their appointment has been canceled.

If a customer can't make an appointment, it should be canceled using guidance in the MVC's confirmation email to open the appointment for others.

Renewals

License/ID and registration renewals that can't be completed online require an appointment. Renewals are not available on a walk-in basis.

Check Your Documents

Customers should check the expiration date on their documents and renew early. Most licenses can be renewed online three months before expiration and most vehicle registrations two months before expiration. If you can't renew online, make an appointment within the renewal window. Don't wait until you're up against an expiration date!

Know Before You Go

Before all MVC visits, customers should log on to NJMVC.gov (https://njmvc.gov/) to check if the agency might be closed because of an employee testing positive for COVID-19, or for any other reason. The MVC has 39 locations to serve customers throughout the state.

Customers can complete many transactions online, schedule appointments, and find out more about MVC operations on the website. Customers can also identify whether a license or vehicle transaction is available online, by appointment, or walk-in by using the MVC "Cheat Sheet" (https://www.nj.gov/mvc/pdf/about/cheatsheet.pdf) on the home page of the website.
