Energy, Minerals and Natural Resources Department Office Updates

State Parks to remain closed through April 30th

Santa Fe – The statewide public health order has been extended through April 30th. In an effort to reduce the spread of COVID-19 and as directed by the Governor, the Energy, Minerals and Natural Resources Department (EMNRD) announces the following changes in office access and the extension of State Parks closures. EMNRD has shifted as many employees to telework as possible.

EMNRD Headquarters - Wendell Chino Building

Most staff with offices in EMNRD's Wendell Chino Building headquarters in Santa Fe are teleworking. Access to the building is by appointment only for limited circumstances when important business cannot be conducted remotely.

- To contact the Energy Conservation and Management Division please visit the Contact Us page.
- To contact the Mining and Minerals Division call 505 467-9671.

State Forestry Field Offices

State Forestry field offices are closed through April 30th. The phone number for State Forestry is 505-476-3325 and the website can be found here.

State Parks

In accordance with the Governor's most recent order, NM State Parks are closed through April 30th. Campsite reservations through April 30th will be canceled and refunded. Please see our FAQ page on State Parks closures. If you have additional questions about State Parks closures, please call 505-476-3355.

Oil Conservation Division (OCD) Field Offices

OCD field offices are only accessible by appointment and the public and oil and gas operators are encouraged to conduct business online as much as possible. For additional details on the OCD's operations in light of COVID-19 orders and contact information, please see our public notice.

State government remains dedicated to serving New Mexicans while ensuring the safety of our community. All New Mexicans have been instructed to stay home except for outings absolutely necessary for health, safety and welfare. Restrictions have been enacted to aggressively minimize person-to-person

contact and ensure spread is mitigated. All businesses except those deemed essential have been ordered to close.

Please visit https://cv.nmhealth.org/ for more details on how to keep your family safe, and on how New Mexico is responding to COVID-19.

###

The Energy, Minerals and Natural Resources Department provides resource protection and renewable energy resource development services to the public and other state agencies.
