Governor Phil Murphy

Updated Quarantine Advisory Issued for Individuals Traveling to New Jersey, Bringing New Total to 33 States and Territories

08/11/2020

33 States and Territories Include Alabama, Arkansas, Arizona, California, Florida, Georgia, Hawaii, Iowa, Idaho, Indiana, Illinois, Kansas, Kentucky, Louisiana, Maryland, Minnesota, Missouri, Mississippi, Montana, North Carolina, North Dakota, Nebraska, Nevada, Oklahoma, Puerto Rico, South Carolina, South Dakota, Tennessee, Texas, Utah, Virginia, Virgin Islands, and Wisconsin

TRENTON – Governor Phil Murphy today advised individuals traveling to New Jersey from states or territories with significant community spread of COVID-19 to quarantine for a 14-day period from the time of last contact within the identified state or territory. In addition to the Virgin Islands, the updated advisory includes two additional states Hawaii and South Dakota – with Alaska, New Mexico, Ohio, and Rhode Island removed from the list, bringing the total to 33 states and territories. The travel advisory applies to any person arriving from a state or territory with a positive test rate higher than 10 per 100,000 residents or a state with a 10 percent or higher positivity rate over a 7-day rolling average.

As of Tuesday, August 11, there are currently 33 states and territories that meet the criteria stated above: Alabama; Arkansas; Arizona; California; Florida; Georgia; Hawaii; Iowa; Idaho; Indiana; Illinois; Kansas; Kentucky; Louisiana; Maryland; Minnesota; Missouri; Mississippi; Montana; North Carolina; North Dakota; Nebraska; Nevada; Oklahoma; Puerto Rico; South Carolina; South Dakota; Tennessee; Texas; Utah; Virginia; Virgin Islands; and Wisconsin

“To protect the steady progress we’ve made on our road back, we need everyone who has traveled to one of these impacted states or territories to practice self-responsibility,” **said Governor Murphy.** “I strongly encourage all individuals arriving from a hotspot to proactively get a COVID-19 test and self-quarantine to reduce transmission across our state.”

Travelers and those residents who are returning from impacted states should self-quarantine at their home, hotel, or other temporary lodging. Individuals should leave the place of self-quarantine only to seek medical care/treatment or to obtain food and other essential items.

It is expected that individuals will follow the public health advisory to self-quarantine. The list of states will be updated on a rolling basis and is accessible here (https://covid19.nj.gov/faqs/nj-information/travel-and-transportation/which-states-are-on-the-travel-advisory-list-are-there-travel-restrictions-to-or-from-new-jersey).
