3) Municipal Fire and Police Civil Service Boards shall post notice of the proposed emergency rule with the 24-hour public meeting notice provided in R.S. 42:19.
4) Due to the Stay at Home Order in place statewide, all Municipal Fire and Police Civil Service Boards shall conduct meetings by teleconference or video conference.

Any sheriff may rehire on a full-time basis any otherwise qualified retirees to road patrol or corrections functions only, without loss or suspension of retirement benefits to those rehired deputies, for the duration of the emergency.

2) The Boards of Trustees of the Louisiana Sheriffs Pension and Relief Fund shall not be required to suspend benefits to retirees rehired as full-time employees covered by this proclamation.

SECTION 11: FUNERAL SERVICES

A) Funeral services must be limited to attendees of no more than 10 people. Funeral directors are directed to limit the number of personnel present at any such service to only one single funeral director and to ensure the enforcement of the CDC's social distancing guidelines during the conduct of the funeral.

B) Graveside services must be limited to attendees of no more than 10 people. Funeral directors are directed to phase the individuals present at graveside services as follows:

1) Rather than the standard practice of several funeral directors, staff, clergy, and pallbearers being present for funerals or graveside committals, funeral directors shall limit non-family attendees to essential personnel only and follow CDC's social distancing guidelines at all times.
2) Any staff required to transport the deceased, family and mourners, and funeral paraphernalia to the gravesite shall accomplish this task and depart the area prior to the arrival of any family and mourners at the gravesite such individuals shall not exceed 10 people.
3) Any family and mourners attending a funeral or graveside service shall not exceed a 10-person limit and such number shall include any funeral staff and clergy necessary to conduct the service, unless funeral staff and clergy are at a distance of no less than 10 feet from the family and mourners.
4) In no event should funeral directors authorize or permit walking visitations or continuous streams of visitors to funeral homes or gravesides, as such activities violate the current Stay at Home Order and the CDC's social distancing guidelines and present an increased risk of COVID-19 spread.
5) Any staff required to open or close graves shall be present in the respective cemetery at a distance of no less than 30 feet from the funeral or committal group at all times and shall not approach the grave until after that group has departed or before it has arrived.

C) In order to facilitate the timely handling and interment or cremation of deceased in this State, funeral directors shall be considered "essential workers" for the purposes of obtaining access to personal protective equipment ("PPEs") and for the purposes of conducting the necessary business of death care in the State.

D) The Department of Health is hereby directed to publish guidance that funerals for COVID-19 positive decedents be conducted, as recommended by the CDC, within three days, if practical.

E) In order to facilitate the timely cremation of remains pursuant to the express wishes of the deceased or of those authorized to direct disposition under La. R.S. 8:655 (whichever is applicable under the law), the signatures and notarization required for cremation authorizations under La. R.S. 37:876-877 are hereby waived inasmuch as they can be replaced by faxed, scanned, or photographed signatures on the requisite paperwork and video conferencing without the need for a notary. In no event shall this waiver be interpreted as an authorization to proceed with cremation in the absence of the signatures of those required by La. R.S. 37:876-877 or against the express wishes of those individuals identified by La. R.S. 8:655. Rather, this limited waiver merely authorizes the obtaining of such signatures remotely to avoid violations of the Stay at Home Order of Proclamation Number 33 JBE 2020 and the CDC's social distancing guidelines.

F) To the extent necessary and as permitted by the orders of the Louisiana Supreme Court issued on March 16, 2020, and March 20, 2020, the district courts of this State shall consider petitions brought pursuant to La. R.S. 8:655(E) by funeral

directors, hospitals, or coroners during the term of this proclamation as essential proceedings necessary to respond to the COVID-19 event.

G) In no event shall this proclamation be interpreted to waive any other provisions of Title 8 or Chapter 10 of Title 37 of the Louisiana Revised Statutes that are not expressly identified herein.

SECTION 12: UNEMPLOYMENT COMPENSATION

A) For the purpose of this proclamation, "emergency-related claims" shall mean claims for unemployment compensation filed by persons whose unemployment is directly due to the impact of COVID-19 or due to their inability to get to their job or worksite because they are sick, isolated or quarantined, caring for a sick family member, or when an employees' child's school is closed as determined by the administrator of the state's unemployment compensation program, i.e., the Secretary of the Louisiana Workforce Commission. Emergency-related claims will not necessarily include all claims in all parishes included in COVID-19 proclamations, declarations or orders.

B) The following statutes relating to unemployment insurance are hereby further suspended to the extent and in the manner described below:

1) La. R.S. 23:1533, which provides for claimants' benefits to be charged against base period employers for purposes of employers' tax experience rating and the protesting of such charges by employers, shall be suspended for emergency-related claims made during the effective period of this Proclamation.

2) La. R.S. 23:1552, which provides for the charging of claimants' benefits to certain employers, shall be suspended for emergency-related claims made during the effective period of this Proclamation.

3) La. R.S. 23:1600(2) and (3) shall be suspended while this Proclamation is in effect for emergency-related claims to the extent that they require claimants to register and search for work, but the requirements in La. R.S. 23:1600(2) that claimants continue to report at an employment office in the manner prescribed by the administrator, and in La. R.S. 23:1600(3) that claimants be able to work and be available for work, are not waived. The requirement to continue to report at an employment office, which is accomplished through either an automated telephone system or the Internet, is not impractical and avoids overpayments, which claimants would be liable to repay. Such activities are not practical by an individual who is impacted by COVID-19.

4) La. R.S. 23:1600(4) shall be suspended while this Proclamation is in effect for emergency-related claims to the extent that claimants are required to wait a period of one week before receiving benefits.

5) La. R.S. 23:1601(1) and (2), which provide certain disqualifications for otherwise eligible claimants. Such disqualifications include reasons for separation from employment, including a substantial change in employment by the employer or intentional misconduct connected with employment by the claimant. Separations that are the direct result of the impact caused by COVID-19 are not the fault of either the employer or the claimant. Administration of these separation issues with regard to such claims places an unnecessary burden on the state's unemployment system. Otherwise eligible claimants shall not be disqualified based on R.S. 23:1601(1) or (2).

6) La. R.S. 23:1123, which authorizes the Assistant Secretary in a Workers' Compensation case to schedule a medical examination when there is a dispute as to the capacity to work shall be suspended during the effective period of this Proclamation. Any examination scheduled pursuant to this provision prior to the effective date of the Proclamation shall be null and void and shall be

rescheduled with notice reissued to the party in accordance with existing statutory requirements.

7) La. R.S. 23:1124, which suspends an employee's right to Workers' Compensation benefits for failure to timely submit to a medical examination shall be suspended during the effective period of this Proclamation.

8) La. R.S. 23:1201.1 relative to the right to request a hearing for the suspension or termination of benefits for failure to attend a medical appointment shall be suspended during the effective period of this Proclamation.
9)

C) Pursuant to 29 CFR Part 826.30, the following employees of the State of Louisiana are excluded from receiving paid sick leave under "The Emergency Paid Sick Leave Act" or expanded family and medical leave under "The Emergency Family and Medical Leave Expansion Act". For purposes herein, the state employees excluded from these provisions include:

1) Healthcare providers, defined as any employee of the State of Louisiana employed at a hospital, veterans' home, health care center, clinic, local health department or agency, or any facility that performs laboratory or medical testing, as well as those employees who work in such facilities whose work is necessary to maintain the operation of the facility; and
2) Emergency responders, defined as any employee of the State of Louisiana necessary for the provision of transport, care, healthcare, comfort and nutrition of such patients, or others needed for the response to COVID-19. This includes, but is not limited to military or national guard personnel, law enforcement officers, correctional institution personnel, fire fighters, emergency medical services personnel, physicians, nurses, public health personnel, emergency medical technicians, paramedics and emergency management personnel, as well as those employees who work in such facilities whose work is necessary to maintain the operation of the facility.

SECTION 13: The Governor's Office of Homeland Security and Emergency Preparedness and the State Fire Marshal are directed to ensure compliance with this order, and is empowered to exercise all authorities pursuant to La. R.S. 29:721, *et seq*., and La. R.S. 29:760, *et seq*.

SECTION 14: All departments, commissions, boards, agencies and officers of the state, or any political subdivision thereof, are authorized and directed to cooperate in actions the state may take in response to the effects of this event.

SECTION 15: Unless otherwise provided in this order, these provisions are effective from Friday, May 1, 2020 to Friday, May 15, 2020, or as extended by any subsequent Proclamation, unless terminated sooner.

IN WITNESS WHEREOF, I have set my hand officially and caused to be affixed the Great Seal of Louisiana in the City of Baton Rouge, on this 30th day of April, 2020.

GOVERNOR OF LOUISIANA

ATTEST BY THE SECRETARY OF STATE

SECRETARY OF STATE
