EXECUTIVE ORDER NO. 107

WHEREAS, through Executive Order No. 102 (2020), which I signed on February 3, 2020, I created the State's Coronavirus Task Force, chaired by the Commissioner of the New Jersey Department of Health ("DOH"), in order to coordinate the State's efforts to appropriately prepare for and respond to the public health hazard posed by Coronavirus disease 2019 ("COVID-19"); and

WHEREAS, in light of the dangers posed by COVID-19, I issued Executive Order No. 103 (2020) on March 9, 2020, the facts and circumstances of which are adopted by reference herein, which declared both a Public Health Emergency and State of Emergency; and

WHEREAS, in accordance with N.J.S.A. App. A:9-34 and -51, I reserved the right to utilize and employ all available resources of State government to protect against the emergency created by COVID-19; and

WHEREAS, in accordance with N.J.S.A App. A:9-40, I declared that, due to the State of Emergency, no municipality, county, or any agency or political subdivision of this State shall enact or enforce any order, rule, regulation, ordinance, or resolution which will or might in any way conflict with any of the provisions of my Executive Orders, or which will in any way interfere with or impede their achievement; and

WHEREAS, to further protect the health, safety, and welfare of New Jersey residents by, among other things, reducing the rate of community spread of COVID-19, I issued Executive Order No. 104 (2020) on March 16, 2020, the facts and circumstances of which are also adopted by reference herein, which established statewide social mitigation strategies for combatting COVID-19; and

WHEREAS, Executive Order No. 104 (2020) limited the scope of service and hours of operation for restaurants and certain retail establishments to balance the need to allow individuals to access food and other essential materials with the need to limit unnecessary person-to-person contact; and

WHEREAS, Executive Order No. 104 (2020) deemed a subset of businesses as "essential," including grocery/food stores, pharmacies, medical supply stores, gas stations, healthcare facilities, and ancillary stores within healthcare facilities, and it authorized the State Director of Emergency Management, who is the Superintendent of State Police, to make additions, amendments, clarifications, exceptions, and exclusions to that list; and

WHEREAS, Executive Order No. 104 (2020) made clear that such essential businesses may continue operating without limits on their scope of service or hours of operation, absent further amendments by the State Director of Emergency Management; and

WHEREAS, Executive Order No. 104 (2020) and subsequent Administrative Orders issued by the State Director of Emergency Management also placed restrictions on other businesses' scope of service and hours of operation, and also placed restrictions on the size of gatherings in the State; and

WHEREAS, as of March 20, 2020, according to the Centers for Disease Control and Prevention ("CDC"), there were more than 234,000 confirmed cases of COVID-19 worldwide, with over 9,800 of those cases having resulted in death; and

WHEREAS, as of March 20, 2020, there were more than 15,000 confirmed cases of COVID-19 in the United States, with at least 201 of those cases having resulted in death; and

WHEREAS, as of March 20, 2020, there were at least 890 positive cases of COVID-19 in New Jersey, with at least 11 of those cases having resulted in death; and

WHEREAS, social mitigation strategies for combatting COVID-19 require every effort to reduce the rate of community spread of the disease; and

WHEREAS, the CDC has advised that COVID-19 spreads most frequently through person-to-person contact when individuals are within six feet or less of one another; and

WHEREAS, as a result, the CDC has recommended that individuals practice "social distancing" to prevent community spread of the virus; and

WHEREAS, the CDC has defined social distancing as the practice of "remaining out of congregate settings, avoiding mass gatherings, and maintaining distance (approximately 6 feet or 2 meters) from others when possible"; and

WHEREAS, to mitigate community spread of COVID-19, it is necessary to limit the unnecessary movement of individuals in and around their communities and person-to-person interactions in accordance with CDC and DOH guidance; and

WHEREAS, the best way for New Jersey residents to keep themselves, their families, and their communities safe during the COVID-19 outbreak is to stay at home as much as possible; and

WHEREAS, as of March 15, 2020, the CDC recommends that for the next eight weeks, gatherings of 50 or more people be canceled or postponed throughout the United States; and

WHEREAS, as of March 16, 2020, the White House went further than the CDC had and recommended that Americans avoid social gatherings in groups of more than 10 people; and

WHEREAS, restricting the physical presence of individuals in office environments and work sites is critical to preventing future spread of COVID-19; and

WHEREAS, accommodating work-from-home arrangements is an effective means to ensure continuity of operations while also limiting person-to-person contact; and

WHEREAS, the CDC has recommended employers to establish policies and practices to increase the physical distance among employees and between employees; and

WHEREAS, permitting the workforce to work from home may reduce stress on the State's child care system; and

WHEREAS, as of March 19, 2020, I have instructed all State departments and agencies to utilize work-from-home arrangements for both essential and non-essential employees wherever feasible; and

WHEREAS, given the rapidly rising incidence of COVID-19, temporarily closing non-essential retail businesses will strengthen New Jersey's efforts to slow the spread of COVID-19; and

WHEREAS, even as we institute social distancing measures, the number of COVID-19 cases in New Jersey is likely to increase for the immediate future, meaning we must take all possible steps to preserve our health care system's capacity to treat those who require emergency or intensive care; and

WHEREAS, the Constitution and statutes of the State of New Jersey, particularly the provisions of N.J.S.A. 26:13-1 et seq., N.J.S.A. App. A: 9-33 et seq., N.J.S.A. 38A:3-6.1, and N.J.S.A. 38A:2-4 and all amendments and supplements thereto, confer upon the Governor of the State of New Jersey certain emergency powers, which I have invoked;

NOW, THEREFORE, I, PHILIP D. MURPHY, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

8. All restaurants, cafeterias, dining establishments, and food courts, with or without a liquor license, all bars, and all other holders of a liquor license with retail consumption privileges, are permitted to operate their normal business hours, but are limited to offering only food delivery and/or take-out services in accordance with their existing liquor licenses. The Secretary of the Office of Higher Education shall have the authority to grant a waiver to allow in-person instruction to students on a case-by-case basis where a compelling rationale to

allow such access exists. The Secretary of the Office of Higher Education shall coordinate with institutions of higher education to determine appropriate student housing conditions for those students who reside in on-campus housing as their primary residence.

14. The Commissioner of the Department of Education ("DOE"), in consultation with the Commissioner of DOH, shall be authorized to permit schools to remain open on a limited basis for the provision of food or other essential, non-educational services, or for educational or child care services if needed in emergency situations after consultation with the Commissioner of DOH. The Commissioner of DOE shall also have the authority to close any other career or training facilities over which he has oversight, after consultation with the Commissioner of DOH.

15. 18. Nothing in this Order shall be construed to limit, prohibit, or restrict in any way access to essential services for low-income residents, including but not limited to food banks.

19. Nothing in this Order shall be construed to limit, prohibit, or restrict in any way the operations of newspapers, television, radio, and other media services.

20. Nothing in this Order shall be construed to limit, prohibit, or restrict in any way the operations of law enforcement agencies.

21. Nothing in this Order shall be construed to limit, prohibit, or restrict in any way the operations of the federal government, or the movement of federal officials in New Jersey while acting in their official capacity.

22. In accordance with N.J.S.A. App. A:9-33, et seq., as supplemented and amended, the State Director of Emergency Management, who is the Superintendent of State Police, through the police agencies under his control, to determine and control the direction of the flow of vehicular traffic on any State or interstate highway, municipal or county road, and any access road, including the right to detour, reroute, or divert any or all traffic and to prevent ingress or egress from any area that, in the State Director's discretion, is deemed necessary for the protection of the health, safety, and welfare of the public, and to remove parked or abandoned vehicles from such roadways as conditions warrant.

23. The Attorney General, pursuant to the provisions of N.J.S.A. 39:4-213, shall act through the Superintendent of State Police, to determine and control the direction of the flow of

vehicular traffic on any State or interstate highway, municipal or county road, and any access road, including the right to detour, reroute, or divert any or all traffic, to prevent ingress or egress, and to determine the type of vehicle or vehicles to be operated on such roadways. I further authorize all law enforcement officers to enforce any such order of the Attorney General or Superintendent of State Police within their respective municipalities.
