EXECUTIVE ORDER

Extending Executive Order D 2020 023 Ordering a One-Month Extension for Filing and Remitting State and State-Administered Local Sales Tax Due to the Presence of COVID-19 in Colorado

Pursuant to the authority vested in the Governor of the State of Colorado and, in particular, pursuant to Article IV, Section 2 of the Colorado Constitution and the relevant portions of the Colorado Disaster Emergency Act, C.R.S. § 24-33.5-701 *et seq.*, I, Jared Polis, Governor of the State of Colorado, hereby issue this Executive Order extending Executive Order D 2020 023 until May 20, 2020, ordering the temporary suspension of certain statutes to provide a one-month extension for filing and remitting State and State-administered local sales tax due to the presence of coronavirus disease 2019 (COVID-19) in Colorado.

I. Background and Purpose

On March 5, 2020, the Colorado Department of Public Health and Environment's (CDPHE) public health laboratory confirmed the first presumptive positive COVID-19 test result in Colorado. Since then, the number of confirmed cases has continued to climb, and there is community spread throughout the State. I verbally declared a disaster emergency on March 10, 2020, and on March 11, 2020, I issued the corresponding Executive Order D 2020 003, as amended by Executive Orders D 2020 018 and D 2020 032. On March 25, 2020, I requested that the President of the United States declare a Major Disaster for the State of Colorado, pursuant to the Stafford Act. The President approved that request on March 28, 2020.

My administration, along with other State, local, and federal authorities, has taken a wide array of actions to mitigate the effects of the pandemic, prevent further spread, and protect against overwhelming our health care resources.

The economic impacts of COVID-19 are significant, and threaten to undermine the economic stability of many Coloradans and local businesses. The risk of contamination posed by COVID-19 has necessitated closure of multiple businesses. Employers and employees in virtually all sectors of the economy have been hard hit. We must take action to shore up economic security, employment, community cohesion, and community recovery including showing flexibility with tax payments.

On April 5, 2020, I issued Executive Order D 2020 023 ordering the temporary suspension of certain statutes to provide a one-month extension for filing and remitting State and State-administered local sales tax. This Executive Order extends Executive Order D 2020 023 until May 20, 2020.

II. Duration

Executive Order D 2020 023, as extended by this Executive Order, expires May 20, 2020, unless extended further by Executive Order. In all other respects, Executive Order D 2020 023 shall remain in full force and effect as originally promulgated.

GIVEN under my hand and the Executive Seal of the State of Colorado, this fourth day of May, 2020
