WHEREAS, as of March 13, 2020, there are more than 30 confirmed cases of COVID-19 located in multiple Texas counties; and

WHEREAS, there are more than 50 Texans with pending tests for COVID-19 in Texas; and

WHEREAS, some schools, universities, and other governmental entities are beginning to alter their schedules, and some venues are beginning to temporarily close, as precautionary responses to the increasing presence of COVID-19 in Texas; and

WHEREAS, costs incurred to prepare for and respond to COVID-19 are beginning to mount at the state and local levels; and

WHEREAS, the State of Texas has already taken numerous steps to prepare for COVID-19, such as increasing laboratory testing capacity, coordinating preparedness efforts across state agencies, and working with local partners to promote appropriate mitigation efforts; and

WHEREAS, it is critical to take additional steps to prepare for, respond to, and mitigate the spread of COVID-19 to protect the health and welfare of Texans; and

Pursuant to Section 418.017 of the code, I authorize the use of all available resources of state government and of political subdivisions that are reasonably necessary to cope with this disaster.

Pursuant to Section 418.016 of the code, any regulatory statute prescribing the procedures for conduct of state business or any order or rule of a state agency that would in any way prevent, hinder, or delay necessary action in coping with this disaster shall be suspended upon written approval of the Office of the Governor. However, to the extent that the enforcement of any state statute or administrative rule regarding contracting or procurement would impede any state agency's emergency response that is necessary to cope with this declared disaster, I hereby suspend such statutes and rules for the duration of this declared disaster for that limited purpose.
