Ringing Bells for Delaware’s Health Care Heroes

Ring a bell from your doorstep to celebrate our frontline health care workers

On December 24 at 6:00 p.m., Delawareans statewide will recognize the selfless dedication and hard work of our frontline health care workers.

Join in the celebration by ringing a bell from your doorstep and share your video using the hashtag **#RingingBellsDE**. If you don’t have a bell, use your keys or other household items that jingle!

Thank you to the City of New Castle for inspiring this event.
