Governor Sununu Issues Emergency Order #86

Concord, NH – Yesterday, Governor Chris Sununu issued Emergency Order #86, an Order authorizing certain retired healthcare workers to administer the COVID-19 vaccine.

> "As vaccine supply increases, our first priority is to ensure that doses are administered into arms as quickly as possible," said Governor Chris Sununu. "This Emergency Order provides flexibility to allow previously licensed, out-of-state healthcare workers who have recently retired or are not currently practicing to administer the COVID-19 vaccine, ensuring that workforce shortages do not slow New Hampshire's vaccination efforts."
