Governor Carney, DPH, DEMA Announce Community COVID-19 Testing Sites

WILMINGTON, Del. – Governor John Carney, the Delaware Division of Public Health (DPH), and the Delaware Emergency Management Agency (DEMA) announced the list of community testing sites throughout Delaware next week. Testing locations listed below include pop-up and Curative trailer sites, as well as community sites hosted by New Castle County and Henrietta Johnson Medical Center.

*"We've vaccinated more than 92,000 Delawareans, and we're working hard to expand access to as many Delawareans as possible," said **Governor Carney**. "But we cannot forget the basic public health precautions to prevent the spread of COVID-19. Wear a mask, wash your hands, keep your distance, and get tested to know your COVID-19 status. "*

DEMA has coordinated community sites this week in addition to sites at Walgreens and at various hospitals and health care locations. Delawareans can view a full list of COVID-19 testing locations at de.gov/gettested.

Delawareans are encouraged to check the Delaware Department of Health and Social Services' social media accounts (Facebook, Twitter, and Instagram) for testing location updates due to inclement weather.
