RE: IRB #201004 "Women Grab Back: Exclusion, Policy, and Political Ambition"

Dear Amanda Clayton:

A designee of the Institutional Review Board reviewed the Request for Exemption application identified above. It was determined the study poses minimal risk to participants. This study meets 45 CFR 46.104 (d) category (2) for Exempt Review.

Any changes to this proposal that may alter its exempt status should be presented to the IRB for approval prior to implementation of the changes.

DATE OF IRB APPROVAL: 5/22/2020

Sincerely,

Alexander R Bologa BS
Institutional Review Board
Behavioral Sciences Committee
