Doc. No.	File Name	File Description	Date
1	**Kenya malaria IE_attention_both_FU1_assessor**	Assessor instructions for administering code transmission assessment (1 and 2 digit task, when the code is "5 or 55") at baseline for class 5 and at follow-up 1 for classes 1 and 5 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**October 2010**
2	**Kenya malaria IE_attention_both_FU2_assessor**	Assessor instructions for administering code transmission assessment (1 and 2 digit task, when the code is "7 or 77") at follow-up 2 for classes 1 and 5 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2012**
3	**Kenya malaria IE_attention_both_generalinformation**	Assessor instructions for recording external disruptions while administering code transmission assessment (1 and 2 digit task) for classes 1 and 5 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2010, October 2010, February 2012**
4	**Kenya malaria IE_attention_older_BL_FU1_pupil**	Pupil form for 2 digit code transmission task for class 5 at baseline and follow-up 1 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2010, October 2010,**
5	**Kenya malaria IE_attention_older_BL_FU1_scoresheet**	Scoresheet for 2 digit code transmission task (where the code is 55) at baseline and follow-up 1 for class 5 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2010, October 2010,**
6	**Kenya malaria IE_attention_older_FU2_pupil**	Pupil form for 2 digit code transmission task for class 5 at follow-up 2 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2012**
7	**Kenya malaria IE_attention_older_FU2_scoresheet**	Scoresheet for 2 digit code transmission task (where the code is 77) for class 5 at follow-up 2 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2012**
8	**Kenya malaria IE_attention_younger_BL_assessor**	Pencil tap assessors instruction and score sheet for class 1 baseline attention task for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2010**
9	**Kenya malaria IE_attention_younger_BL_pupil**	Shading distraction task to be completed during the pencil tap task by class 1 pupils at baseline for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2010**
10	**Kenya malaria IE_attention_younger_FU1_pupil**	Pupil form for 1 digit code transmission task for class 1 at follow-up 1 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**October 2010**

Doc. No.	File Name	File Description	Date
11	**Kenya malaria IE_attention_younger_FU1_scoresheet**	Scoresheet for 1 digit code transmission task (where the code is 5) at follow-up 1 for class 1 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**October 2010**
12	**Kenya malaria IE_attention_younger_FU2_pupil**	Pupil form for 1 digit code transmission task for class 1 at follow-up 2 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2012**
13	**Kenya malaria IE_attention_younger_FU2_scoresheet**	Scoresheet for 1 digit code transmission task (where the code is 7) for class 1 at follow-up 2 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2012**
14	**Kenya malaria IE_Baseline_parent_questionnaire_class1**	Parent questionnaire on risk factors for Class 1 pupils for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**January 2010**
15	**Kenya malaria IE_Baseline_parent_questionnaire_Class5**	Parent questionnaire on risk factors for Class 5 pupils for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**January 2010**
16	**Kenya malaria IE_Information Sheet 2010**	Information sheet given to every parent at the meeting prior to consenting their child into the project entitled 'Evaluating the impact of school based malaria contol and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**January 2010**
17	**Kenya malaria IE_Informed Consent form 2009**	Informed consent forms for the parents of child enrolled (2 copies signed-one for parent, one for office) for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**January 2010**
18	**Kenya malaria IE_Informed Consent SOP 2010**	SOP for the process of informed consent of the parents of pupils in classes 1 and 5 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**January 2010**
19	**Kenya malaria IE_Lab_technician_health_assessment_template**	Lab technician health assessment form for recording the haemoglobin concentration and whether a blood slide was taken at baseline and follow-ups for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2010, February 2011, February 2012**
20	**Kenya malaria IE_numeracy_both_FU2_assessor**	Written numeracy assessor instruction sheet for class 1 and 5 numeracy assessment at follow-up 2 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2012**

Doc. No.	File Name	File Description	Date
21	**Kenya malaria IE_numeracy_both_FU2_pupil**	Written numeracy pupil answer sheet for class 1 and 5 numeracy assessment at follow-up 2 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2012**
22	**Kenya malaria IE_numeracy_older_BL_FU1_assessor**	Written numeracy assessor instruction sheet for class 5 numeracy assessment at baseline and follow-up 1 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2010, October 2010,**
23	**Kenya malaria IE_numeracy_older_BL_FU1_pupil**	Written numeracy pupil answer sheet for class 5 numeracy assessment at baseline and follow-up 1 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2010, October 2010,**
24	**Kenya malaria IE_numeracy_younger_BL_assessor**	EGMA (Early Grade Math Assessment) score sheet for assessor to score on for each child. The oral arithmetic task used as an impact outcome for class 1 children at baseline and follow-up 1 is MAC4 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2010**
25	**Kenya malaria IE_numeracy_younger_BL_pupil**	EGMA (Early Grade Math Assessment) interactive material for assessor to use with child. The oral arithmetic task used as an impact outcome for class 1 children at baseline and follow-up 1 is MAC4 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2010**
26	**Kenya malaria IE_Nurse_health_assessment_template**	Nurse health assessment form for recording height weight and temperature and age (attendance codes included) at baseline and follow-ups for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2010, February 2011, February 2012**
27	**Kenya malaria IE_School_questionnaire**	School questionnaire asked to Headteacher for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**January 2010**
28	**Kenya malaria IE_Spelling_older_BL_FU1_assessor**	Assessor instruction sheet for administering spelling task in class 5 children at baseline and follow-up 1 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2010, October 2010,**
29	**Kenya malaria IE_Spelling_older_BL_FU1_pupil**	Pupil answer sheet for spelling task in class 5 children at baseline and follow-up 1 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2010, October 2010,**
30	**Kenya malaria IE_Spelling_older_BL_FU1_scoresheet**	Scoring sheet for spelling task in class 5 children at baseline and follow-up 1 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2010, October 2010,**

Doc. No.	File Name	File Description	Date
31	**Kenya malaria IE_Spelling_older_FU2_assessor**	Assessor instruction sheet for administering spelling task in class 5 children at follow-up 2 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2012**
32	**Kenya malaria IE_Spelling_older_FU2_pupil**	Pupil answer sheet for spelling task in class 5 children at follow-up 2 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2012**
33	**Kenya malaria IE_Spelling_older_FU2_scoresheet**	Scoring sheet for spelling task in class 5 children at follow-up 2 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2012**
34	**Kenya malaria IE_Spelling_younger_BL_FU1_assessor**	Assessor instruction sheet for administering and scoring spelling task in class 1 children at baseline and follow-up 1 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2010, October 2010,**
35	**Kenya malaria IE_Spelling_younger_BL_FU1_pupil**	Pupil answer sheet for spelling task in class 1 children at baseline and follow-up 1 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2010, October 2010,**
36	**Kenya malaria IE_Spelling_younger_FU2_assessor**	Assessor instruction sheet for administering and scoring spelling task in class 1 children at follow-up 2 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2012**
37	**Kenya malaria IE_Spelling_younger_FU2_pupil**	Pupil answer sheet for spelling task in class 1 children at follow-up 2 for project entitled 'Evaluating the impact of school based malaria control and enhanced literacy instruction on educational achievement and anaemia in schoolchildren in Coastal Kenya'	**February 2012**
