Replication instructions for 'More social, less material, more influenced by family ties: Why young women join political parties'

Sofia Ammassari, Duncan McDonnell, Annika Werner,
Reinhard Heinisch, Marco Valbruzzi, Carsten Wegscheider

Published in *European Journal of Political Research*

To replicate the analyses in the article, please ensure the following:

- Use R Studio Version 4.4.3 (or a more recent version)
- Save all files – the dataset ("dataset.xlsx") and two R scripts – in the same folder

The codebook for the dataset can be found in Appendix E of the article.

Run the code "EJPR code - Final.R" to replicate the following tables: **Tables 2, F1-F6, G1-G12.**

Run the code "Figures.R" to replicate the following figures: **Figures 2, 3, 4, 5, F1, F2.**

For any questions, please email s.ammassari@griffith.edu.au.
