Files needed to generate the results for each country in the Working Paper 382: (maps, tables, chart, etc.)

Working paper 382.rar

For each country there are 3 folders: data, dofiles and xls.

Data: This folder contains the data sets

Dofiles: This folder contains the dofiles

Xls: This folder contains the Excel file that uses the estimation results to obtain the results presented in the paper.

The files have to be in the same folder in order produce results.

Brazil

- **Data sets:**

Pob_edu_2008_2050_final.dta: PNAD 2008 dataset with health cost and population projections.

BRA-d.dta: Data set to generate the Stata maps (Data).

R-C.dta Data set to generate the Stata maps (Coordinates).

- **Dofiles:**

Mapas_brasil.do: dofile that generate the Brazil maps.

Master_breaks.do: dofile that generate the cuts in the maps.

PNAD_Probabilidades_2008_simulaciones_test.do: dofile that generate the Brazilian estimations.

- **Xls:**

Cuadros_var_1_v3_english.xlsx: Excel file with the graphs.

data_v2_english.xlsx: Excel file with the charts.

Chile

- **Data sets:**

ENS_2009_POB.dta: ENS 2009 dataset with health cost and population projections.

CHL-d.dta: Data set to generate the Stata maps (Data).

R-C.dta Data set to generate the Stata maps (Coordinates).

- **Dofiles:**

Mapas_chile.do: dofile that generate the Chile maps.

Tablas_enfermedades.do: dofile that generate the Chile estimations.

Master_breaks.do: dofile that generate the cuts in the maps.

- **Xls:**

Enfermedades_v2.xlsx: Excel file with the health cost.

Cuadros_tratados_gasto_chile.xlsx: Excel file with the charts.

Mexico

- **Data sets:**

Pob_edu_2006_2050.dta: ENSANUT 2006 dataset with health cost and population projections.

MEX-d.dta: Data set to generate the Stata maps (Data).

R-C.dta Data set to generate the Stata maps (Coordinates).

- **Dofiles:**

Mapas_mexico.do: dofile that generate the Mexico maps.

ENSANUT_06_simulaciones.do: dofile that generate the Mexican estimations.

Master_breaks.do: dofile that generate the cuts in the maps.

- **Xls:**

Cuadros_v3_tratados_gasto_publico.xlsx: Excel file with the graphs and charts.

The file Health_gdp_v_OCDE2013.xlsx in XLS folder contains results presented in the paper.
