RSCT: COUNT OF HOUSEHOLD ADULTS

RSCT: Hello, I'm [fill interviewer name] from UCLA. We are doing a study to see how people feel about various aspects of life in Southern California. The topics we would like to ask about relate to employment, health, and politics. This study is an important part of the teaching and public service work of UCLA. Your home has been randomly selected for this study.
Everyhting you tell us will be strictly confidential. Your name will not be connected in any way with the findings of this important study.
In order for me to determine who I am to interview, please tell me how many people 18 years of age or over currently live in your household as permanent residents. So, including yourself, how many persons live in your household who are at least 18 years of age? [Include permanent household members only; record answers greater than 7 as 7]
