README for "United We Stand, Divided We Fall? The Effects of Parties' Brexit Rhetoric on Voters' Perceptions of Party Positions"
Authors: Jae-Hee Jung and Zeynep Somer-Topcu

All analyses were carried out using StataSE16.

Do files should be run in the order they are listed below. If the do files use any source datasets, then the source datasets are listed in bullet points. If the do files create datasets to be used in a subsequent do file, then the output datasets are also listed in bullet points.
