Myanmar Center for Economic and Social Development (M-CESD); International Food Policy Research Institute • Michigan State University

My name is [name of enumerator] and I would like to interview your household for a survey that is being conducted by researchers from the Myanmar Development Resource Institute – Center for Economic and Social Development (M-CESD), Michigan State University and the International Food Policy Research Institute. This survey aims to provide researchers with a detailed understanding of rural livelihoods in Ayeyarwady and Yangon Regions and carry out analyses to assist policymakers in identifying policies to promote welfare in Myanmar. The researchers are visiting 1200 households in four different townships and your household was selected randomly for participation. The interview takes place in two parts, and takes approximately 2.5 hours in total to complete. You have the right to not participate or stop the interview at any time. Please note, however, that we value your participation. Be assured that the information you give will be held in the strictest confidence and in no circumstance will your household be identified. If you have questions or concerns about your role and rights as a research participant, or if you would like to receive more information about this study, you may contact, anonymously if you wish, Aung Hein of the Myanmar Development Resource Institute – Center for Economic and Social Development at 09 792 849 426.
