Today Prindestrovian foreign office saw a briefing – deputy of the State Duma of the Russian Federation, the Chairman Duma's Committee of the Russian Federation on Issues of Ownership and Coordinator of Inter-fractional Group of Deputies with the Supreme Soviet of the PMR Sergey Gavrilov and Chairman of the Expert Council under the Inter-fractional Group answered the questions of the representatives of Prindestrovian Media.

Journalists touched upon the topics of increasing of cooperation between Russia and Prindestrovie, implementation of so and humanitarian projects, stabilization of political situation in the region and situation with military contingent of the banks

According to Russian guests, the main task for today is to intensify as soon as possible the interaction between Russia and Prindestrovie on all directions. Sergey Gavri evaluated the course of the leadership of the republic who held active politics directed on the development of cooperation with Russia. “During the meetings with the repre leadership and major factions of the State Duma of the RF Prindestrovian President Yevgeny Shevchuk received full support and solidarity with his position,” he said.

During the visit to Prindestrovie deputies of the State Duma of the RF plan to meet the representatives of all branches of state power of the republic in order to defi complicated problems in socio-economical sphere and elaborate effective approaches to solve them.

In particular, Sergey Gavrilov positively assessed the project “Eurasian Region Prindestrovie” which aroused particular interest not only on the part of political quarters Federation, but also of the scientific community. According to the opinion of guests from Russia, this is a wide basis for development of economical, customs, infrastructur humanitarian cooperation with Prindestrovie, neighboring districts of Ukraine and Moldova with the participation of Russian regions.

Deputy also reported that the State Duma of the RF actively works on implementation of programs of support of Prindestrovie in overcoming of economical difficulti these programs touch on strengthening of financial stability of the state, assistance in the sphere of retirement benefits, of school and preschool education, provision of edu materials, modernization of medical equipment and other spheres.

According to Sergey Gavrilov, implementation of a number of interesting projects via civil society institutions within the framework of grants is planned for the next y particular, the activity will be directed on reforming of the systems of housing and communal sector, road infrastructure, revival of railroad traffic, agrarian complex, moder industry, and rendering of assistance to Prindestrovian enterprises in entering the market of the Russian Federation. Deputy reported that particular attention will be paid to training and modernization of Prindestrovian Mass Media. “This is made in order for Prindestrovian Mass Media to correspond to modern requirements both from the poir appointment of personnel and one of material support,” Sergey Gavrilov said.

Answering the questions of journalists, deputy also noticed that the goals connected with fortification of material basis of Russian peacekeeping contingent are topical. reason to support the peacekeeping contingent in a proper order. This corresponds to the interests of security of both Russia and Prindestrovie, because we think that there alarming signals in Security Zone over last six months,” Sergey Gavrilov said.

At the end of the meeting Russian deputy once again emphasized productive politics of the leadership of the republic. “I am glad that new leadership of Pridnestrovie substantially and pragmatically stands up for the interests of the republic in Moscow, developing interaction on all basic directions,” Sergey Gavrilov said. According to dep important not only to fix the range of problems, but also to develop certain decisions. He expressed hope on corresponding reaction of colleagues in the Supreme Soviet. “ Pridnestrovian deputies understand our common responsibility for preservation of political stability and peace in the republic and for development of interaction with Russi we will develop dynamical, fraternal and friendly cooperation,” Russian deputy made a conclusion.
