Village Questionnaire

Village: _____ Town/Tehsil: _____ District: _____

Village Treatment Status: ☐ Male ☐ Female

_____% ☐ Group-Treated, _____% ☐ Individual-Treated, ☐ Controlled

Respondent's Name: _____

Respondent's Phone Number: _____

Thank you very much for giving time to us. We are conducting a survey of households on behalf of Institute of Developing Economies (IDE), Japan. Prior to the household survey, we would like to know some basic information about the village. The purpose of the following household survey is to understand people's perception about working opportunities and to improve the economic condition of households in rural Punjab, Pakistan. All information gathered from you will be treated as strictly confidential. No individual name will be used in any document prepared based on this survey. We are very grateful for your participation. May we begin?

Interviewer's Name: _____

Interview Date: _____

Section 1 : Village Structure

1.1 Total population of the village? _____

1.2 Total number of households? _____

1.3 Approximate number of unmarried women aged 15–30 in the village? _____
