ENERGY STAR® STATE APPLIANCE REBATE PROGRAM

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

REBATES AVAILABLE - PROGRAM CLOSED

Rebates began on April 23, 2010. As of April 8, 2011, no more vouchers were available. Previously, rebate amounts were increased on March 8, 2011, and consumers who already received rebates for the lower amount were eligible for the difference. Rebates were offered for a limited time only. Before making a purchase, confirm funding and requirements at www.asesro.com

PRODUCT		REQUIREMENTS	AMOUNT

Freezers		ENERGY STAR qualified.	$300
Refrigerators		ENERGY STAR qualified.	$350

PROGRAM CLOSED

HOW TO APPLY

Applicants are encouraged to complete applications in person at the Territorial Energy Office; however, applicants may get applications at the TEO and submit signed original documents to receive rebate voucher(s). Government-issued identification as well as a copy of a recent American Samoa Power Authority bill is required. Upon completion of the application process, eligible applicants will receive rebate voucher(s) to use toward purchase at participating retailers. Vouchers must be redeemed within two weeks of issuance.

For more information: www.asesro.com

ELIGIBILITY

Applicants must certify that they will be replacing an existing appliance. Applicants must surrender their used appliances when new appliances are delivered. Limit one voucher per product type per household, except room air conditioners, which are limited to three per household.
